Dear Ed,

I am in receipt of your memorandum dated 7-26-88.and the attached memorandum from Albany containing questions about our contract.

With respect to question #1-the discrepancy between our total contract cost and the amount on our cover page: We will be sure to change the figure from $28,000.00 to $27,999.94 when we send in our final contract. In this way there will be no discrepancy between what we are budgeting and what we are requesting.

With respect to question #2-the clarification of Detail Budget Page 3, Contracted Services: We will be sure to change the description of these expenditures to make it clear that the consulting fees will be paid on a random basis and not on a daily basis.

I hope that this letter clarifies the questions which were asked. Thanks for your cooperation.

Sincerely,

Coert Bonthius, Staff
