the best in labor history on film

4th Thursday Every Month. 7pm. Free! *

Plumbers-Fitters Union Hall. 701 W. State St.

This Month
Feb 28
7pm

"The Inheritance" (1964)

follows the theme that freedom is a hard-won thing and every generation's got to win it again. The film traces the long and bitter struggles of workers against economic exploitation-- picketing, sit-ins, and mass demonstrations-- ending with the historic March on Washington in 1963.

Coming Next Month
March 28, 7pm
