THE TOMPKINS-CORTLAND LABOR COALITION

26 UNIONS...7000 WORKERS STRONG

To all members of the Labor Coalition:

The next meeting will be on Thursday, March 28 at 6:30 PM at 701 West State Street in Ithaca at the Plumbers and Pipefitters Hall. This is a good meeting to attend as the Labor Movie of the Month will follow directly at 7:30 PM. This months movie will be "Harlan County, USA" the story of a bitter, year long strike in the coal fields of Kentucky. We have heard that this is an excellant film, both informative and moving. Bring a friend from your Local and come and enjoy. February's movie, "The Inheritance" was well attended and everyone got into the film as well as the discussion that followed.

To be discussed at the Meeting:

1. Plant Closing Legislation
2. Photo Exhibit
3. TC3 and Labor Coalition Workshop for H.S. students

Negotiation Update

Remember...send your dues to anyone on the steering committee if you haven't already...and...send your photos to the Labor Coalition at 701 W. State St. or better still, bring them to the meeting.

See you on the 28th.
