Tim Morrissette Chair
Tompkins Cortland Labor Coalition

Address redacted
Ithaca N.Y. 14850

March 25th

TO: City of Ithaca

Sudden plant closings or workforce reductions affect not only the workers of the company involved, but our entire community. Problems include not only the economic loss but also the mental and physical stress placed on the "displaced" workers. In line with traditional Friends emphasis on social responsibility and community responsiveness, we support the attached statement of principles from the Tompkins-Cortland Joint Labor Coalition.

Ithaca Monthly Meeting of
The Religious Society of Friends

Elspeth L. Rhodin
Clerk.
